(54) SIDE SPOILER WITH UMBRELLA STORAGE CASE

(57) Abstract:

PROBLEM TO BE SOLVED: To put a wet umbrella outside a vehicle room to dissolve wetting in the car room by providing an umbrella storage case and an opener in the hollow part of a side spoiler mounted on a side sill of the side lower part of a passenger car.

SOLUTION: The putting place of an umbrella 7 is constituted of an umbrella storage case 5, a cover 5, and an opener 6 provided in the hollow part of a side spoiler 2 on the side lower part of a passenger car. Hereby, at getting in a car at a rainfall, a person opens a door to seat on a driver's seat, operates the opener 6 to open the cover 5, stores the umbrella 7 in the umbrella storage case 4, closes the cover 5 and the door to start, and at getting out of the car, after stopping opens the door, operates the opener 6 to open the cover 5, takes out the umbrella 7 from the umbrella storage case 4, closes the cover 5, and by getting out of the car the wet umbrella
